

2013 January Newsletter

I hope everyone had a great holiday season and your kids had great fall and winter sports seasons. I know it seems crazy to be talking baseball but we have already begun planning and preparing for the 2013 Season.

We are excited to announce that this season we are going to try to start Little League Softball in Willards. We will be having an informational meeting on January 30th at the Powellville Firehouse Meeting Hall at 7pm for parents of girls ages 7-12 that may be interested in participating in Little League Softball. Our program will be run by the Willards Little League Charter and will is not affiliated with the program that Wicomico County currently offers. Little League International has had a Softball division since 1974 and currently has more than 360,000 girls worldwide. Little League Softball in our area is growing every year and this year, Lower Sussex Little League in Roxana DE, will host the Senior and Big League Softball World Series. For more information on Little League Softball visit www.littleleague.org/media/softball.htm . Please attend this meeting if you are interested in your daughter playing Little League Softball and feel free to pass the information along to your neighbors.

We have scheduled our sign-ups for 2013.
