

## Fundraiser for Rhyne Taylor and Family

Rhyne Taylor, an 11 year old softball player at Willards Little League, was diagnosed with a brain tumor on April 16<sup>th</sup>. The inoperable tumor is located near her pituitary gland and is sitting on her optical nerves. So far, Rhyne has undergone multiple surgeries at John Hopkins, to help relieve the pressure the tumor is currently causing. Despite having severe headaches, nausea and now vision problems, Rhyne is in better spirits and is starting to become more mobile.

In a few weeks, Rhyne and her family will make trips back to Hopkins to begin chemotherapy treatments with hopes of reducing the size and effects of the tumor.

Willards Little League is asking for your help by participating in a Fund Raiser for Rhyne and her family. We are in need of items that can be auctioned off during our Hitting Derby event on May 8<sup>th</sup> and 9<sup>th</sup>. Items can be anything; gift certificates, memorabilia, tickets, clothing, baskets, etc. In addition, we need you to participate in the auction!

Willards Little League is more than baseball and softball. We are a community and a family. I know we can come together to (at a minimum) help offset the loss of work and travel expenses the family is having to face.

Thank you for your support!
